Dated 5/7th April 1905

From

K. Sreenivasa Rao Esq:
Assistant Commissioner
French Rocks

To

H. H. Sparkes Esq:
Deputy Commissioner
Mysore District.

Sir,

I have the honor to state that when I camped at 'Hellbote' during the last Vyramudi festival, Several Iyengars who were in receipt of Salavasa price grant complained to me that their grants had not been paid to them by the Peshkar of the temple and that false signatures had been obtained in the Barawardsag against their names in proof of the alleged payment of the grant to them.

I caused their Statements to be taken down in my presence and I am reporting for your orders in a tabular form the name of the petitioners, the nature of the complaint, Summary of the statements of the persons examined and the records referred to for each case with My finding thereon

The Peshkar's denial of all knowledge of the payment of the Sthalavasum price cannot be believed Since he has passed remarks in several cases in the Barawards which clearly Show that these payments were being made with his cognizance.

In regard to the conduct of the Jinasee Gumasta I am of opinion that he deserves to be Summarily dismissed.

I must confess to certain good points in the Peshkar. He keeps the temple and the premises thoroughly clean and rules with a rod of iron the army of the temple Servants about 300 Strong.

Against him it must honestly be

Said that he is perfectly unacquainted with even the rudiments of accounts although fairly well read in Canarese. His recent Street Arab life in Melkote before his nominatin to the office of Peshkar is so fresh in the memory of the Melkotians and in spite of the high offices he holds he commands no respect in society as a brahmin or as a high placed brahmin official.

It is not for me to say whether a perso of this stamp can be entrusted with an office by virtue of which he receives in public the honors due to His Highness the Maharaja on festive occasions.

In my humble opinion the present Peshkar is unworthy and incapable of holding his present appointment

In the interests of humanity I shall unless ordered otherwise make it a point to be present every month in Melk when the Sthalavasa rice is distributed

The record of ongoing can

other records are herewith submitted with a Pharisat.

Cl'd.

Re file of Correspondence ending with letter No 632 of the 5th/7th April 1905 from the Assistant Commissioner, French Rocks Division about the Peshkar &c of the Melkote Temple -

From the memo submitted it is very evident that the dates of rice complained about have not been received certainly in the first three cases as the supposed recipients have proved their absence from Melkote on those dates. As regards the other four cases it is doubtful as if present it is not known why they should not have presented them selves or complained.

The Assistant Commissioner recommends the immediate removal of the three Gumastas, but I presume that he must have been acting under the orders of the Peshkar who must be held primarily responsible in this matter - from the statements made before the Assistant Commr "

Commissioner and from his remarks in the Baramulla it is very evident that he must have been cognizant of what was going on or if not, it was part of his duty to do so. As he has proved himself to be utterly incompetent of performing the duties of Peshkar his removal from office will be recommended to the Municipal Secretary. - As regards The first two cases as he must have been cognizant of all that was going on he will be suspended pending Government orders in the Peshkar's case.

As it has been satisfactorily proved in the first three cases that the complainants did not receive the rice the Peshkar will make good that amount. If the other four complainants can produce any further and satisfactory proof

proof to the same effect, the Peshkar will also make good their losses

The Assistant Commissioner is requested to attend himself or send the Amildar to see to these monthly doles until government orders are received.
